### How to: Convert Automatic to #Manual - Car Throttle

Tue, 18 Sep 2018 08:10:00 GMT *The image above shows my RB25DET manual big-box, but the automatic is basically the same. First, you need to drain the fluid out - there is a bung at the bottom which should get most of the fluid out. It is not right at the bottom, so there will be a bit of auto fluid still inside. The orange arrow points to the bung where you fill the gearbox.*
